

Ana Marie Forsythe - Internationally-recognized master Horton teacher and former Director of the Ailey/Fordham B.F.A. Program at The Ailey School, New York City

December 6, 2011

Ramon Del Barrio is a gifted and exciting teacher, dancer and actor. He has so much information to share with his students and he gives it to them with enthusiasm and humor. The classes he taught for the Ailey/Fordham BFA students were well organized and enabled the dancers to use their technical and artistic skills.

Bravo Ramon!

Thank You,

Ana Marie Forsythe
